3 Day Advanced Less Lethal Course Monday – Wednesday

\$650.00

The Safariland Advanced Less Lethal program is designed to not only re-certify past students who have attended the 4 Day ICP Defense Technology Program covering OC Aerosol, Specialty Impact Munitions, Distraction Devices and Chemical Munitions but also provide the most current and up to date training in the field of less lethal munitions.

The Advanced Less Lethal program is a combination of classroom lecture and range drills, with an emphasis on instructor development and tactics. Attendees will receive comprehensive instruction regarding the technical, operational, and tactical applications in the use of OC, Specialty Impact Munitions, Chemical Agents and Distraction Devices. Classroom lecture will consist of technical information; tactical considerations, table top exercises, and instructor teach backs. Range drills will consist of live fire operational information, tactical application, and scenario based training.
