## SAFARILAND<sup>TM</sup> TRAINING GROUP

For almost thirty years, the Monadnock International Instructor Seminar has set the standard in law-enforcement training programs. Now, reflecting a sweeping restructuring of the companies that formed the BAE Systems Products Group, we are united under the time-honored Safariland name. And starting this year, the conference will be known as the Safariland Less-Lethal Training Conference.

The 2009 conference introduces a new, more comprehensive approach to training, combining two highly respected training missions into one exceptional resource:

1. Annual International Monadnock® Instructor Seminar
2. Defense Technology™ Instructor Certification Program

### SMALL GROUP INSTRUCTION AND INTERACTION ARE THE HALLMARKS OF EVERY MONADNOCK/DEFENSE TECHNOLOGY CONFERENCE!

You will be personally guided through the certification process by a Monadnock/Defense Technology Staff Instructor in a small-group setting with five to six participants. Few other conferences provide you with the same level of personalized attention and support.

- Class sizes are limited, so register early
- Complete the provided registration form
- Registration is not complete without payment
- You will receive a confirmation letter for the 2009 Safariland Less-Lethal Training Conference

### ACCOMMODATIONS

Special discounted rooms are available at the Four Points by Sheraton Leominster. To make your reservations, call 978-543-9000 and ask for the Safariland Training Group rate. On-line registration is available at: <http://www.starwoodmeeting.com/Book/safariland>. A special rate of \$82 for Standard Hotel Room occupancy per night is available, and the room tax is 9.7%. The Executive King Room rate is \$102. When making your reservations, ask about the discounted meal plan for breakfast and lunch. **Reservations made by September 1 will ensure this special rate. The recommended airport is Boston Logan International Airport.**

**SAFARILAND SHOOTING SCHOOL**  
NEWLY ADDED PROGRAM TO THE CONFERENCE!

**AT THE CONFERENCE**

You will prepare for either Instructor or Instructor-Trainer certification by attending lectures, demonstrations, and by receiving hands-on contact with your personal coach, a Monadnock/Defense Technology Staff Instructor. Advancement to the Instructor-Trainer level requires prior Monadnock Instructor rating and satisfying certain prerequisites (visit [www.trainingcouncil.org](http://www.trainingcouncil.org) for more details, along with the enrollment policy).

**CERTIFICATION PROGRAMS**

You can earn certification in the Monadnock® Expandable Baton (MEB) program, the PR-24® program or the Monadnock Defense Tactics System (MDTS) program. This includes re-certification training if you are already a certified instructor.

**INSTRUCTOR-TRAINING PROGRAMS**

If you already hold Monadnock Instructor certification in the MEB, PR-24 or MDTS programs, you can become a Instructor-Trainer in the program.

**DEFENSE TECHNOLOGY CERTIFICATION PROGRAM**

As a special added feature, there will be one-day Defense Technology OC Aerosol Projectors, Specialty Impact Munitions, Chemical Munitions and Distraction Device Instructor Certification Programs available between September 14 and 17. See the chart below for details. These same courses are available in a ICP package deal.

**HANDGUN 1 PROGRAM**

New this year is our Handgun 1 program, developed by law enforcement instructors from across the country. This course provides individual challenges, which push the student to make measured advanced in both accuracy and speed of shot placement. The focus is on the core skills needed to be applied under your individual tactical programs.
