Dates: 07/22/2025 - 07/24/2025

Venue: McLennan Community College Emergency Services Education Center, MCC ESEC
Waco, Texas 76708

Price: \$700

Instructors: Mark Childers

Course Description:

THIS THREE-DAY COURSE IS DESIGNED TO STRATEGICALLY INTRODUCE RELEVANT, BEST PRACTICE PROTECTIVE OPERATIONS to law enforcement, military and corporate professionals tasked with ensuring their leaders are protected 360 degrees from potential threats. Concepts such as site security advance planning, close protection tactics, and motorcade operations are shared with participants seeking a holistic understanding of protective operations in today's threat driven environment.

We provide the necessary strategies and tactics for you to be successful and confident to lead and manage protective operation missions not readily taught in law enforcement training academies or U.S. Military basic training.

- Attendees preferably should have limited to no Protective Operations experience

- Class will begin at 0800 each day

- PowerPoint presentations each morning followed by field exercises in afternoon (FTX is the final test)

- Dress is BDU's for Tuesday and Wednesday; Suit for Thursday (Simulated Protective Ops)

- Will require radios and earpieces (clear). We can utilize tactical back channel for communications

- 24 Hours of TCOLE credit

- No live firearms, ammunition, knives, chemical sprays, or tasers during training
